Onsite Sign-In

There will be an onsite sign-in for the course in the Cerbat/ Hualapai Conference room on April 17th. The course will start at 0800 but breakfast will be provided starting at 0730 if you arrive early.

Course Materials

The textbook is available as a digital download [here](#).

You will receive a hard copy of the WLS: MP textbook when you attend the course. The printed and e-reader versions of the textbook are also available for purchase from our publisher on [Amazon.com - Wilderness Life Support](#) if you would like a copy of the text shipped to you before the course.

Course Description

- Learn the skills to prevent medical problems; reduce suffering and save lives in non-traditional medical settings
- Earn your Wilderness Life Support for the Medical Professional (WLS:MP) certification
- Learn the latest practical hands-on wilderness medicine skills for patient assessment, treatment, and evacuation protocols
- Practice your skills in live scenarios with our expert instructors
- Obtain up to 21.25 hours of Category 1 CME*
- Receive Wilderness Medical Society Fellowship (FAWM) credits

Course Objectives

- Provide a practical foundation in wilderness medicine for medical professionals
- Teach patient assessment and treatment guidelines for life support until definitive care or evacuation is available
- Train the provider in methods for managing medical and trauma emergencies and urgencies in the wilderness when evacuation is unavailable or unnecessary

Topics Include

- Patient Assessment
- Trauma
- Medical Problems
- Infectious Disease
- Head, Ear, Eye, Nose, Throat, Skin
- Bites & Stings
- Musculoskeletal Injuries
- Wound Management
- Water Treatment
- Hyperthermia, Hypothermia & Frostbite

Rodeway Inn Kingman Route 66 Phone: 1(928)753-4747
1400 E Andy Devine Ave, Kingman, AZ 86401

Transportation

You will need transportation to the classroom each day. We will travel to and from the trailhead each day but we can arrange carpools for you and your gear if needed.

Clothing and Other Equipment

Average temperatures in this area in April can range from lows in the mid 30s to highs in the 80's. The course will be held rain, snow, blazing sun, or haboob (giant dust storms in the desert), so participants should bring rain and snow gear and warm layers to account for unexpected cold or precipitation. Hats and sunscreen are recommended for sun protection. All equipment and supplies for the hands-on teaching sessions will be provided. You should bring any equipment that you carry during your normal outings, such as a backpack to transport personal gear and items such as a personal medical kit, trekking poles, water filtration, fire-starting equipment, etc. Additionally, feel free to bring any equipment, medical or otherwise, that you want to test out in the field.

Registration

All registrations will be handled through Sheri Glass, SGlass@azkrmc.com. Residents need only to confirm their intention to take the course. Any outside participants will need to provide payment and registration form to Sheri at least 2 weeks before the course start date.

Resident/Student \$ 495.00

Doctoral	\$ 750.00
Non-Doctoral	\$ 495.00

Cancellation Policy

Circumstances change and if you need to cancel your registration up to a month before the course will refund your full registration fee. If you need to cancel less than 4 weeks prior to the course start date we will refund 50% of your registration fee.

CME

The Wilderness Medical Society designates this hybrid activity for a maximum of 21.25 AMA PRA Category 1 Credits. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

PHYSICIAN ASSISTANTS: The American Association of Physician Assistants accepts Category 1 CME approval from organizations accredited by the ACCME.

OTHER PROFESSIONALS: Check with your governing entity to determine usefulness of AMA PRA Category 1 Credits™.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Wilderness Medical Society and AdventureMed. The Wilderness Medical Society is accredited by the ACCME to provide continuing medical education for physicians.

None of the faculty/planners for this educational activity have relevant financial relationships to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

All education content presented in this activity has been reviewed and validated as appropriate in keeping with sound scientific principles.

YOU WILL RECEIVE YOUR CME CERTIFICATE FROM THE WILDERNESS MEDICAL SOCIETY VIA EMAIL APPROXIMATELY 4-6 WEEKS AFTER THE COMPLETION OF THE COURSE
